EXPERIENCE

■ TEDxMVJCE | 2021

Designer and Content Writer

As a part of the oraganising team of TEDxMJCE, designed the logo for the newsletter - Unarchive and curated content ideas and writeups for social media. Also, designed Telegram stickers for marketing the event.

■ Course on UI Design | 2019

Offered by University of Minnesota

Through this course I was able to understand Design Theory and continue to apply it wherever possible.

ACHIEVEMENTS

■ Accelathon | 2020

Organised by Bangalore Chamber of Industry and Commerce

As a team of three, we were awarded a grant for our idea presentation on community well-being and development.

■ Sustainability Competition | 2016

Organised by ExxonMobil and Junior Achievement

Lead a team of 15 to win three consecutive years by presenting Designs and Ideas for challenges based on Sustainability.
